Wihan Stoltz

Successful warehouse and dispatch Coordinator with great planning and leadership acumen, Wihan Stoltz has worked at a leading networking distribution company in Johannesburg for close to seven years; progressing from a counter sales representative to a Dispatch Coordinator and Warehouse Manager while ensuring the continuous success of the company.

Skilled in an array of managerial and technical areas, Wihan has lead a warehouse team of 8 employees to accurately manage operations, warehouse duties and inter-branch stock distribution.

After pursuing a career change to Software Development he has graduated from HyperionDev with top honours and is avidly focused on obtaining further certification and build on his technical acumen and passion for problem solving. Having acquired specific skills in Back-end Development on Python, Java and SQL, Wihan is willing to take on a suitable role, at any level, in order to build a successful career within the Software Development space - as a recognised Software Engineer/ Software Developer.

Experience

January 2015 - October 2015
Venter de Jager Accountants | 5 Carel de Wet Ave, Brits
Accounting Clerk

Using Pastel Accounting Services I built yearly financial statements for surrounding companies such as non-profit organizations, public schools and sole owner farming business to provide these companies with required financial information to continue a successful venture. I also worked in team environments, auditing the financial documents for the company partners.

November 2015 - February 2022
Scoop Distribution | 362 Roan Crescent, Randjiespark, Midrand
Warehouse Supervisor and Dispatch Coordinator

I dealt with all internal stock checking, following up and correcting dispatch errors, and any other stock related internal mistakes that occur within the business day. I also had 8 Store guys that I gave duties to daily, and I handled all issues they dealt with on a daily and long-term basis regarding the continuation of work done within the warehouse.

I handled the checking of all incoming stock ranging from small local orders to 40ft containers that get delivered to us on a weekly basis, and additionally in charge of quality assurance on all incoming international and local procurement for the JHB branch.

I also maintained a dispatch counter where all courier collections, bulk stock collections and any international orders are dispatched from on a daily run. This includes checking and dispatching to all customers and couriers.

Prior to my advancement as Dispatch Co-Ordinator, I worked as a sales consultant and built an excellent reputation for client and customer servicing, via email, telephonic and in-person sales assistance.

April 2022 - June 2022
Intercape Ferreira Mainliner | Staal road, Pretoria Industrial, PTA

Warehouse Supervisor

I performed stock control and employee management duties as a Warehouse Supervisor for the PTA branch, working alongside procurement and workshop to manage parts purchasing, dispatch and storage for the company.

I also performed monthly stock takes and generated reports based on the outcome of the stock takes in order to drive company decision-making and purchase structures.

November 2022 - May 2023
Telematic Resources | Bass coves, The Coves Estate, Hartbeespoort
Software Developer

I performed conversions on IoT tracking devices from Arduino to ESP-IDF frameworks in C programming language, built PCB boards for stock generation and worked on various company related projects on programs such as Vim, Nano, VScode, Arduino, Clion and Mounriver IDE for CH32 chipsets.

EDUCATIONAL QUALIFICATIONS

SCHOOL Matriculated in 2008
High School High school Hartbeespoort

Below is a list of subjects I have completed during my time at University of Pretoria, where I was enrolled for Bcom Accounting for two years.
